"Hela" Ltd. Producer of decorative candles

Company "Hela" Ltd is founded in 2000. In the period of 2000 – 2006 the company has established permanent contact with leading Bulgarian and foreign countries. Hela Ltd realizes its production in bulgarian as well as international markets.

The main activity of the company is production of decorative candles and candle sticks under the trade mark Luis. We work with qualitative materials, aromas and coloring materials from American companies, which are leading in the sphere of decorative candles production. We produce nonstandard candles on the client's order as well as special series of candles for SPA centers.

With us you will find a various range of products, high quality and correct partnership.
